

"Making sustainable future"

POINTER Cleaning

*Nepal enters in
natural cleaning*

Organic is a Necessity, not a Luxury

Crystal Cleanser Company Pvt. Ltd., a subsidiary of Pointer Holdings, established in 2021 with the commitment of manufacturing eco-friendly cleaning products. We focus on manufacturing biodegradable cleaning products such as floor cleaner, toilet cleaner, chimney cleaner, glass and furniture cleaner, furniture polish, stainless steel polish and windshield washer fluid, etc.

We are conscious about the impact that traditional cleaning products can have on the environment, and seeking out alternatives that are more sustainable and non-hazardous for our health. Most of the professional cleaning products contain hazardous and toxic chemicals that can be damaging to human health.

As per contemporary need, Crystal Cleanser Company offers environment friendly cleaning products that only use natural ingredients. Our company proudly introduces range of organic cleaning products under "**POINTER**" Brand which are maintaining excellent cleaning power along with eco-friendly manner.

Organic is a Necessity, not a Luxury

What makes "POINTER" a natural choice for Nepalese households?

As a manufacturer, we are driven by great enthusiasm to make a sustainable lifestyle in Nepal. Our brand "**POINTER**" is supported by our collaborative partners, formulator, highly qualified and motivated employees, stand for the entire company's untiring commitment to sustainability.
